

Report of the meeting held on 17/11/2014 at Conference Hall at Goa Board of Secondary & Higher Secondary Education has suggested the following:

1. Exemplar projects suggested by NCERT be followed, However It may left to the teachers to select the projects and the methodology he/she wishes to adopt.
2. Teachers may select a topic for Assignment based on exemplar projects an assign to the students wherein student may be encouraged to gather real time data through web searches or interviews of concerned stakeholders.
3. There are provisions especially for Science Streams to undertake field visits to environmental significant areas. It is suggested that other streams also be encouraged to undertake such visits. While the students are on field visits, teachers may suggest a small project to be undertaken and the same can be considered for evaluation.
4. The filed Trip may be planned based on the themes given in the exemplar projects.
5. These options may be followed from the next Academic Year. However, if the Schools have not initiated the projects they may adopt these guidelines across all streams this year.
6. It is proposed to organize one day workshop for teachers to understand the filed realities for Class XI teachers.
7. Centre for Environment Education may be requested to conduct the workdhop.
8. The above guidelines should be followed by all the streams

Sr.No.	CLASS	WEIGHTAGE
1.	STD XI	25 MARKS
2.	STD XII	25 MARKS

Separate Grades for STD –XI & XII be recorded in Board Certificate.
