**Grading Scheme for Std. XII (General Stream) Public Examination
with effect from 2009 - 2010**

The following Nine point scale for Absolute Grading shall be used in all subjects, both academic as well as school assessment subjects, for Class XII with effect from March 2010 HSSCE onwards :

Table No. 1

Sr. No.	Marks Range	Letter Grade	Grade Value	Description/Remarks
1.	90% And Above	A	9	Outstanding
2.	80% to Less Than 90%	B	8	Excellent
3.	70% to less than 80%	C	7	Very Good
4.	60% to less than 70%	D	6	Good
5.	50% to less than 60%	E	5	Above Average
6.	40% to less than 50%	F	4	Average
7.	30% to less than 40%	G	3	Fair
8.	20% to less than 30%	H	2	Marginal
9.	Below 20%	I	1	Unsatisfactory

A. Academic Subjects:

- I. The Grade is to be awarded in each subject based on the marks scored.
- II. For passing in any subject, the student:
 - i. has to secure any grade from A to G.
 - ii. has to secure minimum 25% separately in theory and practical and a grade A to G in the subjects with component of practical.

THEORY means First Mid-Term Test and First Term theory Examination of internal School Examination, along with projects/assignments, and theory Examination conducted by the Board.

PRACTICAL means School practical examination and practical Examination conducted by the Board.

III. A student securing any grade between A to G in all six subjects will qualify for passing. A student securing any grade between A to G in any five subjects and failing to get minimum of G grade in the sixth subject due to failure:

(i) to earn 25% marks separately in theory and practical component

(ii) to earn overall minimum grade of 'G' in that subject will be awarded a non qualifying grade (I) for that subject,

indicating that such a student shall qualify to appear for supplementary examination to be held in June/July. Such student/s appearing for supplementary Examination must get any grade from 'A' to 'G' in that subject to qualify for passing. For a subject having practical, the candidate will have to answer both theory and practical in the supplementary examination/s. The Board shall conduct the practical examination for such students.

IV. A candidate securing below 25% in either theory or practical component shall be awarded a non qualifying grade (I) and a non qualifying grade when combined with any other qualifying grade in a subject will be awarded an overall non qualifying grade (I).

V. A student who does not qualify for the next higher class may opt to appear in the subsequent examination/s to improve the grades only in those subjects(s) where he/she has secured below 'G' grade. Such a student will have to secure a grade from A to G in all such subjects to qualify for the next higher class.

VI. The Board's Passing Certificate Cum Statement of Grades shall contain only grades secured by the student. A specimen is enclosed as Annexure IA & IB.

- VII. After the implementation of the grading system, the Board will discontinue to record marks in the Certificate. However, if the student desires, the Board shall issue transcript of marks to the Institutions/Boards/Universities directly.
- VIII. The repeaters at HSSCE shall be given chance four consecutive turns i.e. four years to procure qualifying grades, including the year of his/her first attempt at the concerned public examination, in the same syllabus/text in which the Examination was answered at the first attempt. Thereafter, the repeater student shall have to answer the uncleared subjects and unclaimed exemptions in the revised syllabus/text. The HSSC examination conducted in June/July shall not be considered as a consecutive turn. If a student gets below 'G' grade in only one subject, after the fourth consecutive examination, he/she shall be allowed to appear at the immediate supplementary examination.

Internal Assessment (I.A.) and its weightage in the HSSC Examination conducted by the Board

- a) In order to make the Assessment a continuous evaluation process, 20% weightage is to be given to the Internal Examinations, to be carried as I.A. marks for Board public Examination.
- b) The details of I.A. is given below in Table No 2.

Table No 2.

Test	Marks	Time	Total Portion
1 st Mid term Test	30	1 hour	25%
1 st Terminal Examination	90 (non practical subject) 70 [Theory] + 20 [Pr] for practical subject	3 hours	60%
Projects/Assignments	10	-----	To be evaluated by Dec-end

- c) The Internal Assessment Scheme for Std. XII will comprise of 130 marks, which will also include 20 marks for practicals in practical subjects. The details of the I.A. to be awarded are as given in Table No 3.

Table No 3

Sr.No.	Non - practical subject		Practical Subject			
	Marks range	Marks earned	Theory		Practical	
			Marks range	Marks earned	Marks range	Marks earned
1	118 - 130	20	100 - 110	15	17 - 20	5
2	105 - 117	19	89 - 99	14		
3	92 - 104	18	78 - 88	13	13 - 16	4
4	79 - 91	16	67 - 77	12		
5	66 - 78	13	56 - 66	10	09 - 12	3
6	53 - 65	11	45 - 55	8		
7	40 - 52	9	34 - 44	6	05 - 08	2
8	27 - 39	6	23 - 33	4		
9	14 - 26	4	12 - 22	3	01 - 04	1
10	01 - 13	3	01 - 11	2		

- d) The marks assigned to projects/assignments shall be added to the theory internal component.
- e) The I.A. marks earned by a student in practical and non practical subjects, as worked out in Table No 3 above is to submitted to the Board.
- f) The I.A. marks earned by a student in theory (non practical subject) and theory component of practical subject will be added to the marks scored in theory component at Board Examination. The I.A. marks earned by a student in practical subject will be added to the marks scored in practical component at the Board Examination. The overall grade in

theory/practical in a subject will be awarded thereafter using the formula,

$$0.7 \times \text{Grade value in Theory} + 0.3 \times \text{Grade value in practical}$$

= Grade value in the subject

= Grade in the subject

- g) The candidate has to secure minimum 25 % marks, separately in Theory and Practical and an overall 'G' grade for qualifying in the subject.
- h) The practical component at HSSC Board Examination shall carry 30 marks of which 25% weightage will be for internal practical Examination.
- i) In order to maintain uniformity and transparency in the award of I.A. marks by the Institution, the proforma given at Annexures II, III & IV will be maintained by the Institutions for inspection and are to be sent periodically to the Board alongwith grades of School Assessment subjects.

The I.A. marks of the Internal Assessment are to be sent periodically to the Board by 15th September for the 1st Mid Term Test (in Annexure II), by 10th December for the 1st Terminal Examination (as in Annexure III) and by 15th January for the project/assignment, grades of school assessment subjects and overall results (as in Annexure IV). The Institutions should send the information only in the prescribed Annexures (in hard & soft copies). The soft copy should be in Microsoft Excel.

- j) The Institutions are required to set question papers for the 1st Mid Term Test and 1st Terminal Examination proportionately, based on the pattern and weightage for the HSSC public Examination.
- k) The Institutions are required to send a copy of the question papers set in various subjects for the 1st Mid Term test and 1st Terminal Examination to the Board alongwith the Annexures mentioned above. The Institutions are also required to send a copy of the list of Assignment/Project, etc. allotted to the students, to the Board by the 15th of January.

- 1) The distribution of the topics/units of the syllabus and marks for first mid term and first terminal examinations in theory and practicals along with guidelines for projects/assignments will be sent by the Board.

However, relaxation shall be given for this academic year, 2009 – 2010, only.

- m) The question papers in various subjects for the Board HSSC Examination shall be similar in all respects, such as total marks, duration, etc. as followed for March/April 2009 Board HSSC Examination. The Board shall work out the proportionate marks and grades shall be awarded. An example is given at Annexure V.

B School Assessment Subjects

If a student fails to secure qualifying grade(s) from A to G, he/she should be given two opportunities to improve his/her grade in the concerned subjects(s) for that Examination, failing which he/she has to improve his/her grade in the subsequent Examination.

Annexure V

Implementation of Grading & Internal Assessment for Class XII

At HSSCE, there are two categories of subjects:

- i. Without practical component
- ii. With practical component

The theory question papers shall remain the same as existing :

- A. Without practical component – 100 marks for 3hrs
- B. With practical component – 70 marks for 3 hrs.

Weightage to the internal and final examination shall be as per the following table:

Subject Category	Final Examination		Internal Assessment	
A	80%		20%	
B	Theory	Practical	Theory	Practical
	55%	25%	15%	05%

The final grade in a subject shall be awarded based on the marks scored in the final examination and internal assessment marks given based on the performance as provided in Table No 3.

Calculation of Grade in the Subject

Example:

Subject Category – A

Theory marks scored in theory paper (out of 100) : 87

Internal assessment marks (as per Table No. 3) : 20

The marks are to be converted to out of 80 i.e.

$$(87/100) \times 80 = 69.6 = 70$$

Add internal assessment marks i.e. 70 + 20 = 90 Total

The Grade scored in the subject is 'A'

Subject Category – B

Theory marks scored in theory paper (out of 70) : 61
Marks scored in Board Practical (out of 30) : 27
Internal assessment marks (as per Table No. 3) :
Theory: 12 Practical: 04

I – Calculation of Grade in Theory:

The marks scored in Theory are to be converted to out of 55 i.e.
 $(61/70) \times 55 = 47.9 = 48$

Add internal assessment marks i.e. $48 + 12 = 60$

Total marks in Theory = 60/70

Converting into percentage, $60/70 \times 100 = 85.71 = 86$

The Grade awarded in the Theory component is 'B'

II – Calculation of Grade in Practical:

The marks scored in Practical are to be converted to out of 25 i.e.
 $(27/30) \times 25 = 22.5 = 23$

Add internal assessment marks i.e. $23 + 04 = 27$

Total marks in Practical = 27/30

Converting into percentage, $27/30 \times 100 = 90$

The Grade awarded in the Practical component is 'A'

III – Calculation of Overall Grade in the Subject

$0.7 \times \text{Grade value in Theory} + 0.3 \times \text{Grade value}$
in practical

= Grade in the subject

= $0.7 \times 8 + 0.3 \times 9$

= $5.6 + 2.7 = 8.3 = \text{'B'}$

Grading Scheme for Std. XII (Vocational Stream) Public Examination with effect from 2009 - 2010

The following Nine point scale for Absolute Grading shall be used in all subjects, both academic as well as school assessment subjects, for Class XII with effect from March 2010 HSSCE onwards:

Table No 1

Sr. No.	Marks Range	Letter Grade	Grade Value	Description/Remarks
1.	90% And Above	A	9	Outstanding
2.	80%to Less Than 90%	B	8	Excellent
3.	70% to less than 80%	C	7	Very Good
4.	60% to less than 70%	D	6	Good
5.	50% to less than 60%	E	5	Above Average
6.	40% to less than 50%	F	4	Average
7.	30% to less than 40%	G	3	Fair
8.	20% to less than 30%	H	2	Marginal
9.	Below 20%	I	1	Unsatisfactory

B. Academic Subjects:

- IV. The Grade is to be awarded in each subject based on the marks scored.
- V. For passing in any subject, the student:
 - i. has to secure any grade from A to G.
 - ii. has to secure minimum 25% separately in theory and practical/oral and a grade A to G in the subjects with component of practical/oral.

THEORY means Board public theory Examination.

PRACTICAL means internal School practical/oral examination by continuous evaluation process.

VI. A student securing any grade between A to G in all six subjects will qualify for passing. A student securing any grade between A to G in any five subjects and failing to get minimum of G grade in the sixth subject, with component of practical/oral, due to failure:

(i) to earn 25% marks separately in theory and practical/oral component

(ii) to earn overall minimum grade of 'G' in that subject will be awarded a non qualifying grade (I) for that subject,

indicating that such a student shall qualify to appear for supplementary examination to be held in June/July. Such student/s appearing for supplementary Examination must get any grade from 'A' to 'G' in that subject to qualify for passing. For a subject having practical/orals, the candidate will have to answer both theory and practical in the supplementary examination/s. The Board shall conduct the practical examination for such students.

IV. A candidate securing below 25% in either theory or practical component shall be awarded a non qualifying grade (I) and a non qualifying grade when combined with any other qualifying grade in a subject will be awarded an overall non qualifying grade (I).

V. A student who does not qualify for the next higher class may opt to appear in the subsequent examination/s to improve the grades only in those subjects(s) where he/she has secured below 'G' grade. Such a student will have to secure a grade from A to G in all such subjects to qualify for the next higher class.

VI. The Board's Passing Certificate Cum Statement of Grades shall contain only grades secured by the student. A specimen is enclosed as Annexure IA and Annexure IB.

VII. After the implementation of the grading system, the Board will discontinue to record marks in the Certificate. However, if the student desires, the Board shall issue transcript of marks to the Institutions/Boards/Universities directly.

VIII. The repeaters at HSSCE shall be given chance four consecutive turns i.e. four years to procure qualifying grades, including the year of his/her first attempt at the concerned public examination, in the same syllabus/text in which the Examination was answered at the first attempt. Thereafter, the repeater student shall have to answer the uncleared subjects and unclaimed exemptions in the revised syllabus/text. The HSSC examination conducted in June/July shall not be considered as a consecutive turn. If a student gets below 'G' grade in only one subject, after the fourth consecutive examination, he/she shall be allowed to appear at the immediate supplementary examination.

IX. In order to maintain uniformity and transparency in the award of practical/oral marks by the Institution, the proforma circulated earlier by the Board (vide Circular No. dated 21.06.2005) will be maintained by the Institutions for inspection and to be sent periodically to the Board. The consolidated statement needs to be sent to the Board by 15th March, (and not 30th March, as informed earlier) alongwith grades of School Assessment subjects and OJT grades.

The Institutions should send the information only in the prescribed proformas (in hard & soft copies). The soft copy should be in Microsoft Excel.

X. The Institutions are required to set question papers for the 1st Mid Term Test and 1st Terminal Examination proportionately, based on the pattern and weightages for the HSSC (Vocational) public Examination.

XI. The Institutions are required to send a copy of the question papers set in various subjects for the 1st Mid Term test and 1st Terminal Examination to the Board by the 15th of January.

XII. The distribution of the topics/units of the syllabus and marks for first mid term and first terminal examinations in theory and practicals along with guidelines for projects/assignments will be sent by the Board.

However, relaxation shall be given for this academic year, 2009 – 2010, only.

XIII. The question papers in various subjects for the Board HSSC Examination (Vocational) shall be similar in all respects, such as total marks, duration, etc. as followed for March/April 2009 Board HSSC Examination. The Board shall work out the proportionate marks and grades shall be awarded. An example is given at Annexure II.

B School Assessment Subjects

If a student fails to secure qualifying grade(s) from A to G, he/she should be given two opportunities to improve his/her grade in the concerned subjects(s) for that examination, failing which he/she has to improve his/her grade in the subsequent Examination..

Annexure II

Implementation of Grading for Class XII (Vocational)

At HSSCE (Vocational), the theory question papers shall remain the same as existing :

Sr. No.	Subject	Max. Marks	
		Theory	Practical
1.	CS	70	30
2.	GFC	70	30
3.	Voc I	50	100
4.	Voc II	50	100
5.	Voc III	50	100
6.	Voc IV	50	100

Example:

I- Calculation of Grade in the Subjects – Voc I, II, III & IV

Marks scored in theory paper (out of 50) : 20 i.e. 'F' grade

Marks scored in practical (out of 100) : 80 i.e. 'B' grade

The weightage for theory & practical is 33.33% & 66.66%, respectively.

The overall grade in both, theory and practical, in the subject will be awarded thereafter, using the formula:

$$\begin{aligned} & 0.33 \times \text{Grade Value in Theory} + 0.67 \times \text{Grade Value in Practical} \\ & = 0.33 \times 4 + 0.67 \times 8 \\ & = 1.32 + 5.36 = 6.68 = 7 = \text{'C' grade in the subject.} \end{aligned}$$

II – Calculation of Grade in the Subjects – CS & GFC

Marks scored in theory paper (out of 70) : 50

Converting into percentage, $50/70 \times 100 = 71.43\% = 71$

The Grade awarded in theory is 'C'

Marks scored in practical (out of 30) : 27

Converting into percentage, $27/30 \times 100 = 90\%$

The Grade awarded in practical is 'A'

The overall grade in both, theory and practical, in the subject will be awarded thereafter, using the formula:

$$\begin{aligned} & 0.7 \times \text{Grade value in Theory} + 0.3 \times \text{Grade value} \\ & \hspace{15em} \text{in practical/oral} \\ & = \text{Grade in the subject} \\ & = 0.7 \times 7 + 0.3 \times 9 \\ & = 4.9 + 2.7 = 7.6 \approx 8 = \text{'B' grade in the subject.} \end{aligned}$$
