GBSHSE/ACAD/CIR/SCI/2013/

CIRCULAR NO. 27

Date: 30/10/2013.

To,
The Heads of all recognized
Secondary & Higher Secondary Schools
under the jurisdiction of this Board.

Sub:- Celebration of India's Mission to Mars and Apparition of Comet ISON.

Sir/Madam,

As you are aware India shall be launching its Mission to Mars soon and also the century's brightest Comet ISON will be visible to the naked eye from November 2013.

In order to celebrate these historic events, schools should undertake suitable programmes with effect from 20th October 2013 to 10th January 2014 such as preparation of thematic wall papers, essay competitions, film shows, photo exhibitions, slideshows, lectures of experts, quizzes and Comet watching events in schools premises with local community participation etc. to sensitize and involve their students on these twin events of tremendous scientific importance.

Schools should also encourage Science Teachers and students to form 'Comet ISON Watch Clubs'. Institutions are also requested to apply to Department of Science Technology and Environment for programme grants.

In this context you are hereby requested to take appropriate action and submit the report of activities without fail before the end of January 2014.
