CIRCULAR NO. 18

To,
The Heads of all recognised

Sir/Madam,

It is noticed during Inspections held in some of the Higher Secondary Schools that they do not have regular Principals. The Incharge is running the Higher Secondary School and some Higher Secondary Schools are located in commercial/residential area. They do not have access to playgrounds and do not have separate toilets for boys and girls.

It is informed that every Higher Secondary Schools should have regular Principal, access to playground, separate toilets for boys and girls and the schools should not function in commercial premises / residential flats. Schools which do not comply with these conditions should initiate steps to comply with the same within three years.
